

BRYGGERIET ÅNGKVARN

G A S T R O P U B

*Here at the brewery we think our food is as important as our brews.
Beer and food have a strong connection with food culture in Sweden. They come together into
a food experience that is hard to resist. We celebrate the modern Swedish cuisine inspired by
food from around the world. We use locally sourced products from producers such as
Kiplingeberg Vilt and handpicked berries and mushrooms from
the forests of Uppland.*
